

**EAGLE QUALITY CARE**  
supports your independence

## EMPOWERING YOUR JOURNEY TO INDEPENDENCE

**Registered NDIS and DVA  
Provider in Brisbane, Moreton  
Bay and Sunshine Coast**

### About Us

Eagle Quality Care is managed by registered nurses with more than 15 years of experience, a pharmacist, and a general practitioner, with collective experience in different areas of speciality which includes Community Nursing, Mental health, Disability and Aged Care.

Eagle Quality Care goals include enabling participants to be as independent as possible, and to have more choice and control over how they live their lives.

Our experienced support workers aim to meet the needs of participants within a compassionate, uncompromising and person-centred approach, ensuring integrity and quality of products and services,

### Reasons to Choose Eagle Quality Care

- ✓ People-Centered Approach
- ✓ Multicultural Team Members
- ✓ Comprehensive Services

At Eagle Quality Care, we believe that every individual with a disability has the right to fully participate in their community and lead a meaningful life.

## Disability Support Services

### Community Nursing Care (High Needs)

Complex nursing care needs managed by our experienced Registered Nurse.

### Mental Health Care

Do you know we have experienced mental health nurses in our team to support you.

### Department of Veterans' Affairs (DVA) Supports

We're a DVA-approved provider dedicated to supporting our heroes with community, nursing, palliative, and respite care.

### GP & Pharmacy Services

Our pharmacy supports with NDIS supplies and equipments. We assist with medication management e.g. Webster pack.

### Daily Personal Activities

Our experienced staff are here to support you with Daily Personal Activities tailored to your needs.

### Respite Care and Short Term Accommodation (STA)

Support and accommodation for a short time away from your usual home for up to 14 days at a time, up to 28 days.

### Household Tasks

Support in maintaining your home clean and tidy.

### Assist-Travel/Transport

NDIS Assist Travel/Transport promotes mobility, flexibility, and community involvement.

### Community Participation

Community Participation helps you connect, grow, and develop.

### Supported Independent Living (SIL)

We support your needs to promote your independent life at home.

### Medium Term Accommodation (MTA)

Temporary home & living support needs for up to 90 days while you transition into your long term home, as you await your disability supports to be ready.
